My name is Laura. I am 21 years old and currently a sixth-semester Informatics Engineering student while also working. I have a strong passion for web development and am constantly seeking opportunities to improve my skills. I enjoy learning new technologies, solving problems, and taking on challenges that push me to grow.

Work History

Mar 2023 - Current

Administrative Officer

DartMedia

I ensure smooth system operations by monitoring daily activities and managing data. I also coordinate with internal teams for technical support and communicate with clients to keep everything running efficiently. Through this role, I have gained valuable experience in operational management, problem-solving, and professional communication.

Jun 2022 - Feb 2023

Admin F&B

Bang Yos

I was responsible for inputting sales data, generating reports, and managing inventory to ensure smooth operations. Additionally, I handled order processing and responded to customer inquiries to maintain good service. This experience has taught me a lot about sales management, inventory control, and effective customer interactions. I have also developed skills in working efficiently and multitasking.
